SHARE RECOMMENDATION & VOLUME

We recommend that one box could possibly supply the weekly needs of two people of mixed diet or one vegetarian. This will vary based on your dietary needs. The volume of a box is approx the size of a half bushel which is about the size of a paper grocery bag.

PICK-UP OPTIONS

Pick-up is on Wednesday 2:00-6:00 PM. If you are not able to make it to the farm during that time-frame; we will keep your share in our walk-in cooler for you to pick-up during our current store hours. We ask that you email us in advance if you know you can't make it on Wednesday and we harvest your share fresh for you.
